

PERTEMUAN 4

Selasa, 8 September 2026

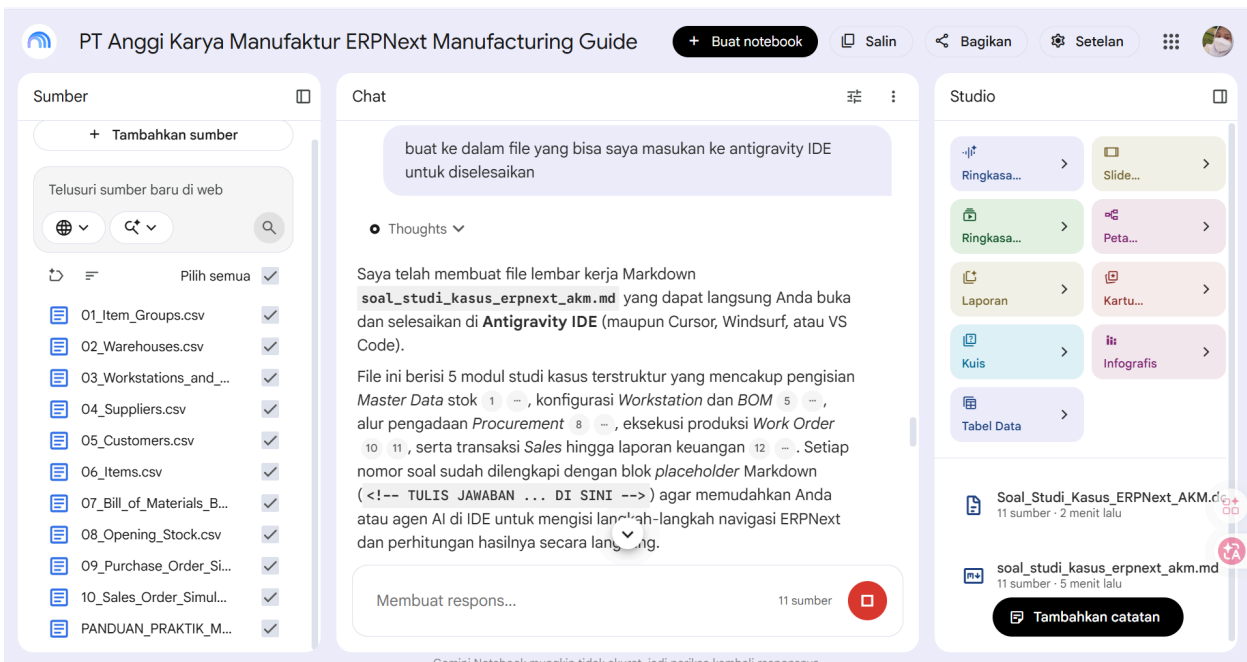

1. Presentasi materi pertemuan 3.
2. Pak Totok arahkan untuk menyuruh antigravity untuk membuatkan soal untuk dimasukkan ke frappe dan dikerjakan.
3. Buka Notebook LM, lalu upload seluruh file di bawah.

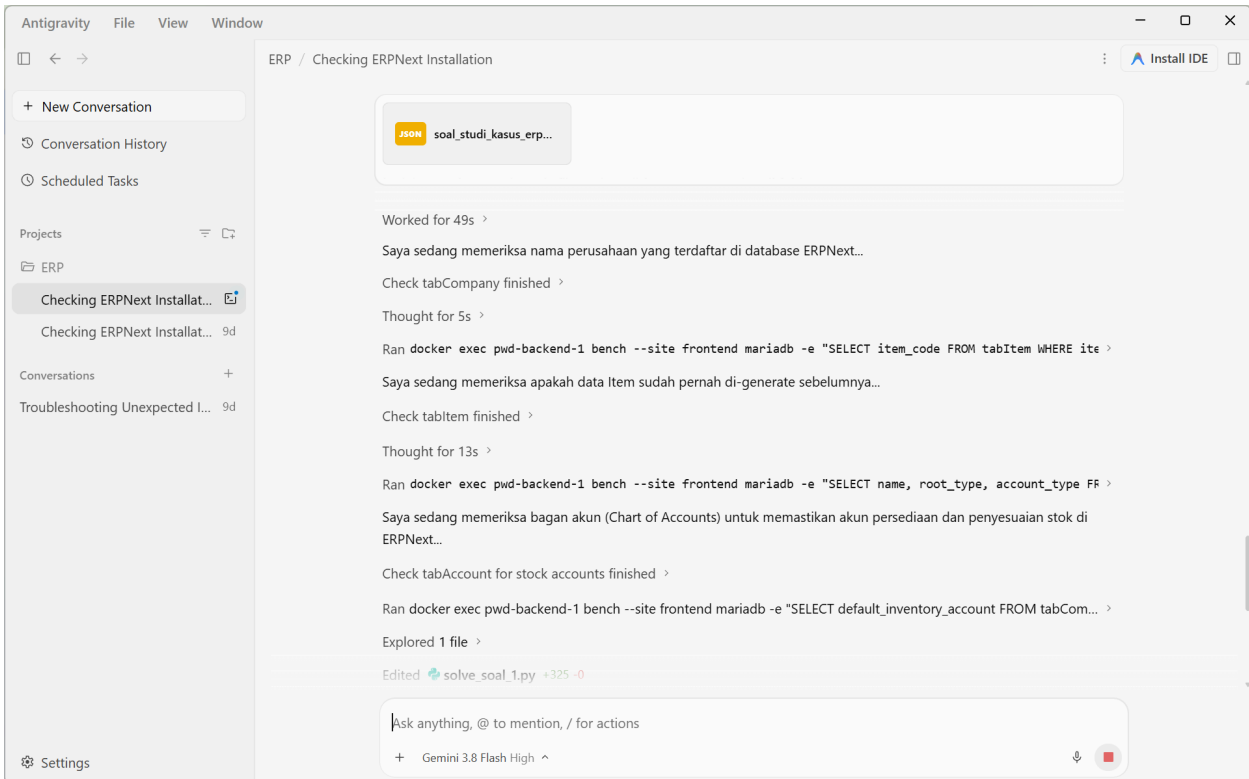

4. Setelah itu masukkan prompt “buatkan contoh soal untuk diterapkan pada ErP Next untuk jenis industri manufaktur sesuai dengan kode akun yang sudah anda buat”

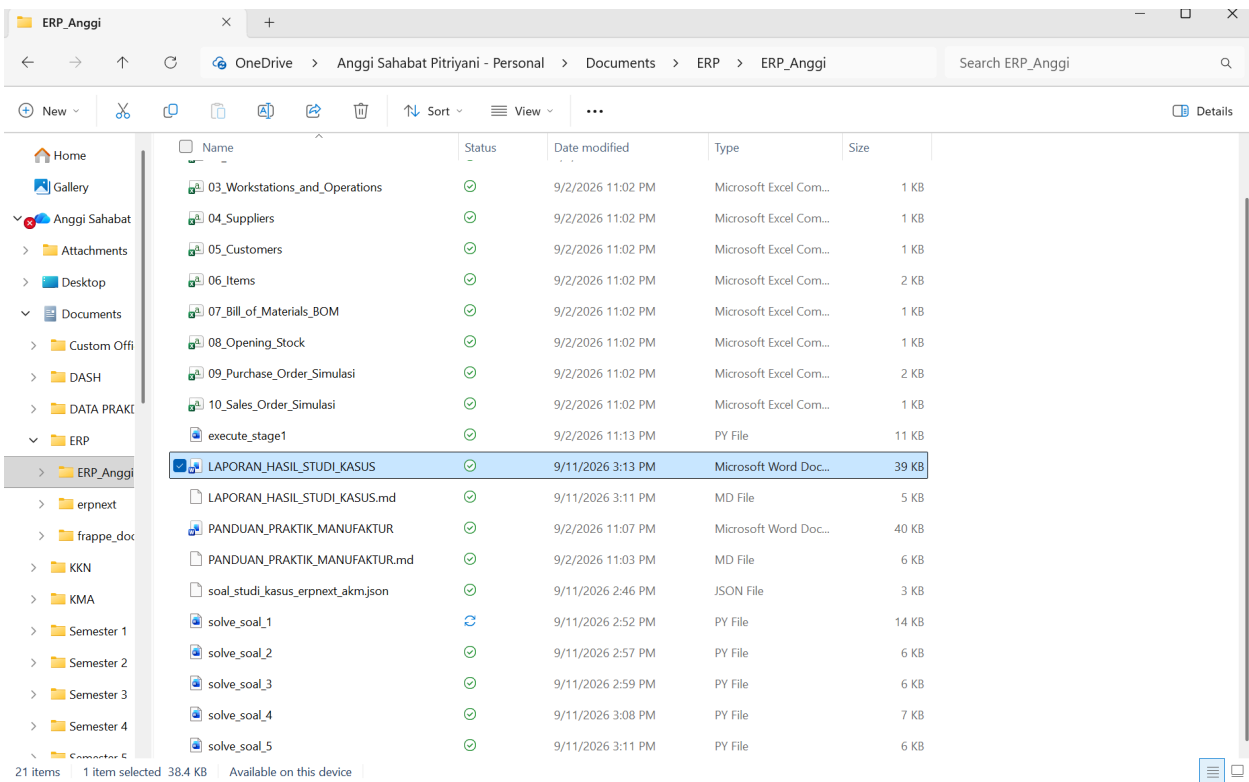

5. Masukkan prompt “buat ke dalam file yang bisa saya masukan ke antigravity IDE untuk diselesaikan”

6. Masukkan prompt berikut ke antigravity “kerjakan soal yang ada pada file (nama file soal) di folder (nama folder dimana soalnya itu ada, pake copy address as text)”

7. Nanti antigravity akan mengerjakan seluruh soal yang diberikan. Nantinya hasil akan masuk langsung ke local host. Setelah seluruh soal dikerjakan akan ada file jawaban di folder yang dipakai.

8. Hasil:
